NEW NECKWEAR.
OUR $4.00 SHOES.
LATEST IN HATS.

You can prepare yourself a little in advance of the season with a Spring Overcoat that's elegantly made up—and fashioned to please you—on some lots as much as $5 to $10 can be saved. They're worthy a quick call.

Light and medium-weight Suits, in sacks and cutaways, in splendid nobby goods.

Boys' & Children's spring needs can be well supplied from our extensive stock—Overcoats, Suits, and Kilts in a variety of styles and prices. The finest line of Shirt Waists ever shown.

Such an array of Neckwear you'll not find in the city at the price—50 cents. A windowful to drop your eyes on as you pass. More of those French Socks at 25 cents—just received another invoice—you can't beat them for more money.

Balbriggan Underwear, spring weight.

Just as much interest created in spring styles of shoes as in any other article of dress. We've a shoe at $3 that you should see, and when you do examine it closely—inside and out—it's made of best domestic calf—with a hand welt—and the advantage of that is in putting on a new sole—the shoemaker can sew it on instead of pegging.

Expect the best and the largest choice in hats when you come and you'll not be disappointed—Silks at $3 and $5. A Derby for $2 that usually brings $3. Children's Turbans and Caps—a beautiful display of these goods in light and dark colors.
